

The Parish Messenger

October 2016

*The Newsletter of the People of St. Andrew's Episcopal Church
State College, Pennsylvania*

FROM THE WARDENS

Parish Survey: We had outstanding participation from the congregation in completing the parish survey. The invitation to participate went out to slightly more than 300 St. Andrew's attendees. We received 214 completed surveys. This information will be gathered and collated into a report that we will share with the congregation and the search committee.

Listening Events: Thank you to everyone who participated in the first two listening events on Sunday, September 25. We had 80 to 90 congregants who participated in these two events. We gathered a lot of wonderful information that upon analysis, will assist our search committee. We have heard a lot of comments from the parishioners that they appreciated the opportunity to be heard and that everyone had the same chance to speak.

The second set of events will be **October at 12:15 PM (with lunch at 11:45 PM) and 6:30 PM (with dinner at 6:00 PM)**. Listening events are your chances to be heard. You will be able to tell us the direction you would like St. Andrew's to take and to voice any concerns you may have. We found that to allow everyone the opportunity to express their views, the events have been running longer than the hour advertised. Please plan to attend if you have not already.

Sincerely,
Wendi Keeler, Senior Warden

FROM THE INTERIM

Friends,

It's good to have the opportunity to share with you now through this newsletter, for it's an important time at St. Andrew's, with the return of academic year activities and the start of the search process. I've always liked it that the church, like schools and colleges, operates on an academic year calendar, with a busy fall to spring schedule followed by a slower pace in the summer. I simply find this an agreeable way to live, with the particular joys and responsibilities of each season providing interest, variation and, of course, delight.

When it comes to the search process, I want to express again my gratitude for the members of St. Andrew's who have taken responsibility for it (listed elsewhere in this newsletter). The process already has facilitated much opinion-sharing, formally and informally, which is good and healthy and the whole point of this undertaking. Please participate as the Spirit moves you, but always with gratitude, gratitude for the search process itself and those attending to the details of it. Indeed, thank them when you see them, for gratitude (Eucharist) is our way.

The academic year is off to a good start, with all ages coming together, as planned, for the new Sunday morning education hour. The education hour already has blessed us with some new vitality on Sunday mornings and a host of people will be working to see that this continues in the coming months. It also has bestowed an unexpected blessing by making clear perhaps the biggest challenge facing St. Andrew's at this time, which is the small number of elementary age children (grade 5 and under) participating in our church presently. This clarity is a blessing because we need to address this issue and immediately. What are we going to do? We are going to reach out to families with young children in State College and invite them to St. Andrew's for programs and offerings of interest to them. This effort begins this month with our annual Blessing of the Animals service and will be followed by other activities of interest over the course of this academic year. The details associated with this effort will be shared with the entire congregation as it progresses, and anyone interested is invited to help. Please contact me if this interests you.

Again, it's good to be in touch at this good and important time. Remember, you are the church and without the offering of your unique gifts and talents, the work of St. Andrew's is diminished. We need you, and, yes, you soon will be receiving an invitation to renew your stewardship in support of St. Andrew's in 2017!

Grateful for all of you,

Doug+

BLESSING OF THE ANIMALS

Dear God, you have given us care over all living things; protect and bless the animals who give us companionship and delight, make us their true friends and worthy companions. Amen.

In October, people all over the world will be celebrating the feast day of the Patron Saint of Animals, Saint Francis of Assisi. It is customary that in remembrance of St. Francis of Assisi's love for all creatures, animals are led to churches for a special ceremony. Our annual Blessing of the Animals will take place during the 10:30 AM service on Sunday, October 9. All animals, including photos and stuffed animals, are welcome. Pets should be leashed or caged as appropriate. Bring your pet to church and invite a friend! Please also consider bringing a donation of dry dog or cat food for the Pet Food Bank to the Eucharist or the church office.

EVENING PRAYER

Evening Prayer has been a major component in the prayer life of Anglicans since the 1552 revision of the Book of Common Prayer. It's a simple service that allows us to decompress from the busyness and stress of the day. Reminiscent of the Eucharist, Evening Prayer incorporates prayer, scripture, and the profession of our faith through the Apostle's Creed. Please join us each Wednesday at 5:15 PM in the chapel for 20 minutes of prayer, reflection and spiritual refreshment. Contact Kevin Barron at kwbl1@psu.edu with any questions.

EVENSONG

On Sunday, October 2 at 5 PM, the Adult Choir of St. Andrew's Episcopal Church will offer a service of choral evensong according to the 1662 Book of Common Prayer. This book is still the official prayer book of the Church of England. Music in the service will include the Magnificat and Nunc Dimittis in D by Herbert Brewer, the anthem ABIDE WITH ME by Malcolm Archer and a setting of the Preces and Responses by Thomas Tallis. The Rev. Douglas Daily, interim rector at St. Andrew's, will be the officiant.

Prior to the Reformation, prayer in the early evening or late afternoon was known as the office of Vespers, one of the eight Canonical Hours of the divine office of the Western church. However, in 1549, a prayer book known as the Book of Common Prayer was adopted in the context of the English Reformation. Bishop Thomas Cranmer established the office of Evensong using elements taken from both Vespers and

Compline, generally to be conducted in the English language, as was the case with the entire liturgy.

After a series of slight modifications, the office of Evensong took its modern form in the 1662 Book of Common Prayer of the Church of England, a form that is followed very closely throughout the whole of the Anglican and Episcopal Church throughout the world.

Evensong, like all forms of liturgical worship, has elements of drama and ritual that nourish the spiritual life of all of us. It is based entirely on elements of Holy Scripture and it is scripted according to a long history, originating in Judaic and early Christian evening worship. Evensong is traditionally mostly sung by a choir, with the full congregation participating throughout in thoughtful prayer, allowing the music to soothe us and to draw us closer to the presence of God. The congregation also joins in the spoken parts of the liturgy: the reciting of the Confession and the Creed, as well as singing the hymns.

Please join us for this service. A reception will follow in Room 325.

CROP HUNGER WALK – October 16

Parishioners of all ages are encouraged to join the State College CROP Hunger Walk on October 16! **The easy 5K walk will begin and end at St. Paul's United Methodist Church. Registration begins at 1:30; the walk begins at 2:00.** Over the next few weeks, the St. Andrew's Purple People Feeders will be collecting pledges from family and friends, and we will join together wearing purple on October 16 to walk as a team. We hope to be a very visible part of the walk through downtown State College. Family members, friends, and pets are encouraged to put on some purple and join us!

Twenty-five percent of the funds raised in the State College CROP Hunger Walk goes directly to the State College Food Bank. The rest is used by Church World Service globally to provide food and water, as well as resources that empower people to meet their own needs, such as seeds and tools, wells and water systems, technical training and micro-enterprise loans.

It is really easy to join the team and help us fight hunger; just visit the [St. Andrew's Purple People Feeders](#) team page. Once a member, you can send out emails and post on social media to ask for donations from family and friends that live far and near. All walkers who raise at least \$150 online by October 2 will receive a free CROP Hunger Walk t-shirt.

If you aren't able to walk with us, please support our walkers by making a tax-deductible donation to help us fight hunger. To make an online donation, visit our [team page](#) and click on the "Donate Now" button. If you want to sponsor a particular person on our team, visit the same team page and click on his or her name. If you prefer to write a check, make it out to "Church World Service" and give it to one of the walkers, or put it in the offering plate.

Please contact [Julie Kwasnica](#) if you have questions or need more information.

SUNDAY MORNING HOSPITALITY

Thank you to the following parishioners who have volunteered to provide coffee and snacks in Canterbury Hall on Sunday mornings this year:

Jill Ascah	Gwen Catchen
The Christopher Family	Alison Jaenicke
Madeline Johnson	The Kwasnica Family
Betsy Llewellyn	Michele Marini
Kitty Mussett	Sharon Rovanseck
The Wells Family	

Each of these individuals or families will help once a month to make sure we warmly welcome all with refreshments before, during and after Education Hour and Eucharist each week. If you are able to commit to helping with this important ministry once a month, or even as an occasional substitute, please sign up [here](#), or contact [Julie Kwasnica](#).

PARISHIONERS' MINISTRY

The Parishioners' Ministry of St. Andrew's Episcopal Church has been an ongoing active outreach program since 1958. It provides modest assistance to people in the community facing unexpected financial emergencies. Parishioners' Ministry stewards work closely with social agencies in town to make sure the people we help have realistic plans to manage their own resources over the long term.

Supported by contributing parishioners, St. Andrew's sets aside a certain amount for Parishioners' Ministry in the general operating budget every year, to be paid out in monthly installments. Other sources of PM funds are memorial gifts, contributions from individual parishioners and occasional special gifts. We are most grateful to the parish for its continued support.

However, our resources, and those of the agencies that call on us for help, are stretched thin. It is more and more difficult to make funds available for the entire month. This past month we had to turn people away by the 16th of September.

As the cold weather approaches, we could use some extra help. All contributions are greatly appreciated and we try to be good stewards of our funds. Please make checks payable to St. Andrew's with Parishioners' Ministry on the memo line. Thank you for helping to keep this ministry ongoing.

Sincerely,
Donald Hopkins, Michele Hamilton, Kathy Hickner,
John Jones, Gloria Meder, & Marion Schwartz.

ALZHEIMER'S WALK

October seems to be the month for worthy causes and one that is so personal for many of us is finding a cure for Alzheimer's. My daughter Carrie works with Alzheimer's patients and has shared the heart-wrenching stories of those stricken with this disease as well as the stories of their caregivers. State College is holding its own "Walk to End Alzheimer's" event on Saturday, October 29. The ceremony begins at 10 AM and the two-mile walk begins at 10:30 AM on the Penn

State Campus at Medlar Field at Lubrano Park. It would be wonderful to have a team from St. Andrew's. I have started one in hopes of finding others in the parish who are looking for an opportunity to support such critical research. Please click [here](#) to either join the team or make a donation. And, let's close out October's month of giving with grateful hearts for all of those working to bring an end to this debilitating disease.

Peace be with you,
Barbara Aalberts

FORTHCOMING: FALL CLEANUP DAY EVENT

At the September Property Committee Meeting, a tentative date of November 12, 2016, was set to conduct our annual Fall Cleanup Day. We need volunteers to come and help! We will focus on getting flower beds weeded and mulched, as well as shrubs pruned at Trinity House. Attention will also be given to all areas around the church buildings towards weeding. We might also attempt to set up one or two indoor projects as well, especially if it will help with the activities associated with Advent. If you are interested in participating, please contact Paige Andrew (pga19@hotmail.com) in the evenings at home at 814-231-2054.

ST. ANDREW'S MEN'S GROUP

The men's group will meet Monday, October 10, at 7:30 PM at the Westside Stadium Bar and Grill. The address is: 1301 West College Avenue in State College.

We may discuss things like nurturing relationships, being positive, learning to trust, loving each other and accepting ourselves. Or we may just eat wings and drink beer. But in all honesty, we are just a group of guys from St. Andrew's who get together and follow any topic of conversation to the bitter end. Come join in and give us a try. There will be no snipe hunting.

FRIDAY NIGHT FILMS

Art may reflect life, but it also shapes and influences life. Filmmakers choose music and words and light and camera angles and settings and timing that make us see life somewhat more clearly or differently. Their movies allow us to time travel, even if momentarily, back into history or soar into the future. We can imagine ourselves as heroes or villains, lion kings or clownfish, sinners or even saints. Movies are also significant sources for spiritual reflection. The Divine doesn't confront us only in liturgy and sacred texts; we are challenged to grapple with the Mystery and "read the text" of all of life's experiences, in the streets as well as in theaters.

Therefore, Friday Night Films is back with an exciting new lineup for your viewing pleasure. If you have any recommendations for individual films or film series, or wish to help out with planning and arranging Friday Night Films, please contact any of the following: Janet Engeman (jengeman@comcast.net), Sharon Rovansek (sorvansek@comcast.net), Sanford Schwartz (sanford.schwartz@gmail.com) or Matthew Thompson (mht3@psu.edu).

Mother Teresa (1986)

October 21

Father Doug will introduce this powerful and inspiring film that is considered the definitive portrait of the 1979 Nobel Peace Prize winner, Mother Teresa. Shot 'on the run' over a period of 5 years in 10 countries on 4 continents, the award winning film follows Mother Teresa into the world's most troubled spots. From the war in Beirut to Guatemala under seige, from the devastated streets of Calcutta to the ghettos of the South Bronx, the film is an experience of the way Mother Teresa transcends all political, religious and social barriers with her works of love.

***The Innocents* (2016)**

November 11

Set in the aftermath of World War II, the quietly powerful drama “The Innocents” shows women of faith working side by side with nonbelievers to bring light to a dark, horrifying world. Based on the experience of Red Cross doctor Madeleine Pauliac, the movie opens in December 1945, as a Benedictine nun desperately seeks help from a French Red Cross dispensary in Warsaw. A young doctor named Mathilde is soon drawn into a tragic situation at a Polish convent: Months after a brutal sexual assault by Russian soldiers, one of the sisters is about to give birth. Six others are also with child. Yet who are the film’s innocents? Are they the nuns, who have been assaulted, or

their infant children? Or are they the viewers who are unaware of this slice of brutal history?

***Entertaining Angels: The Dorothy Day Story* (1996)**

December 9

Dorothy Day is no saint. She lives hard, makes mistakes, and endures the consequences, but the unquenchable fire burning within her cannot be contained. Dorothy wants to make a difference. During the Depression, she vows to house the homeless, feed the hungry and tend the sick. Easily said. Not easily done when her total finances amount to 97 cents in a battered canister. Yet Dorothy persists, walking on frequently stormy waters of faith. Popular stars and important themes combine in this compelling true story of the “American Mother Teresa”.

***The Song of Bernadette* (1943)**

January 13

The Song of Bernadette is a reverent recounting of the life of St. Bernadette of Lourdes. As a teen-aged peasant girl growing up in the tiny French village of Lourdes in the 19th century, Bernadette experiences a vision of the Virgin Mary in a nearby grotto. At least, she believes that she did. The religious and political “experts” of the region cannot accept the word of a silly little girl, and do their best to get her to renounce her claims. The film was a critical great success. *The Song of Bernadette* won four Oscars in the 1943 Academy Awards: Best Actress in a Leading Role (Jennifer Jones), Best Art Direction, Best Cinematography and Best Score.

ST. ANDREW'S BOOK GROUP

The Saint Andrew's Book Group has selected two books to read this fall. For both meetings, we will meet in the library at 7:00 PM.

For the October 25 meeting, the group selected *Hillbilly Elegy: A Memoir of a Family and Culture in Crisis* by J.D. Vance. One reviewer called this 2016 memoir “a profoundly important book, one that opens a window on a part of America usually hidden from view.”

For the November 29 meeting, the group selected *The Nightingale* by Kristin Hannah. Like *All the Light We Cannot See*, this novel is set in France during World War II and focuses on two sisters facing moral questions and life-or-death decisions in the face of occupation. *The Nightingale* was listed by [Amazon.com](https://www.amazon.com) as one of the top five books of 2015.

All are welcome to join the discussions.

COMPASSIONATE LIFE

First and Third Thursday
October 6 and 20
Room 325

Women of all ages of the parish (friends are welcome, too!) are invited to join a group of caring and compassionate Christian women from St. Andrew's every first and third Thursday of each month. Come for community, prayer, conversation about how we care and share... and coffee. At our September 22nd meeting, the introduction and chapters 1-4 from the book *The Invisible Thread* by Laura Schroff and Alex Tresniowski offered the framework for a lively and heartfelt discussion. It is the true story of an 11-year-old panhandler, a busy sales executive, and an unlikely meeting with destiny! Read chapters 5-8 for the meeting on October 6.

COMMUNITY CAFÉ

The Community Café could use a few good volunteers! Simply put, the Community Café serves a free meal every Thursday evening, to everyone who wants one, regardless of circumstances. Our policy is to be as generous as we can, in whatever way we can, to everyone we can.

Remember, the Café is not just about a free meal. Of course, that is our primary focus, but we also want to make the atmosphere warm, friendly and inviting. We have patrons who don't have anyone to share a meal with, who are lonely, or whose only time to be with anyone else is this particular Thursday. Imagine being in that situation and then walking into a room where someone has not only saved a seat for you, but has placed a loaf of cinnamon raisin bread on your table just because they know you like it.

The Café also does not just load up a plate and shove it at someone through a window. We are not a prison. We have a weekly menu, and people who may never have the opportunity to go to a restaurant and order their own food have that opportunity with us. And to that end, we strive to make it the best possible dining experience in town. Ron Rovanseck, the Café coordinator, states with pride: "There are many Thursdays when the best meal you can get in State College is at the Community Café."

So, if this sounds like a ministry you would enjoy, please contact Ron Rovanseck at rrovanseck@pacewater.com or (714) 514-8875. The Café could use volunteers who can be placed on a regular team and serve about once a month. You can always trade with other volunteers if you cannot make your regularly scheduled time. We also need people who can come in during the day on Thursday to help prep food. Also, do not worry if you do not have kitchen experience. We can show you the ropes and soon you will be slicing and dicing with the best of them.

The Café is open every Thursday from 5PM-7PM. The meal is free and everyone is welcome. Donations are accepted but they are never expected.

DAUGHTERS OF THE KING

DOK has started their discernment process for women interested in learning more about The Order. This is a period of preparation in which women will come to understand what it means to be a part of The Order and find out if God is calling them to make this commitment. If you are interested in learning more, please feel free to contact any Daughter at St. Andrew's and/or attend a meeting on Wednesday evening at 7:00 PM in Room 119.

Women's Prison Ministry - DOK Mission Outreach Project.

Your help is needed. As we did last year at this time, the DOK of the Diocese of Central Pennsylvania are working together to bring the love and forgiveness of Christ to women who often had very few resources before they were incarcerated and who have little upon release. They need your prayers and your donations. Please consider supporting this DOK Outreach Project by writing a check to: St. Andrew's Episcopal Church with a notation

"Women's Prison Ministry" by **October 24**. The funds received will go towards filling 20 tote bags and providing \$25 gift cards to the Program Director to distribute to the women as needed.

ST. ANDREW'S VESTRY UPDATE:
September 2016

Vestry met on Monday, September 19. Once again, monthly contributions continue to be down, and we continue to show a deficit for the month and for the year. Spending is on track with the 2016 budget, but income is behind budget expectations. Now that the new academic year has begun, vestry urges you to make contributions and pledge payments regularly, and if behind in your pledge commitment, make additional contributions to 'catch up' for the year. Over 80% of the St. Andrew's operating budget is based upon pledge support making each individual pledge important in the support of life at St. Andrew's. If you cannot regularly attend services, contributions may be mailed directly to the church office c/o Mary Andrew.

Updates to the St. Andrew's website have been completed, and all are invited to explore features of the updated site. In addition, software used in the church office for day-to-day operations, as well as for church accounting, is moving to a cloud-based integrated system that will allow all staff to easily access software and parish data.

The parish profile and the rector search processes are moving forward. All members of St. Andrew's are urged to participate in the upcoming listening events. Responses from the parish survey will be analyzed and combined with data from the listening events and compiled into a parish profile that will be made available to prospective rector candidates.

Fr. Doug reviewed the active ending to the summer and announced a full slate of events to launch the parish into fall.

Respectfully submitted,
Rick Hoover
Clerk of the Vestry

ST. ANDREW'S FINANCIAL REPORT
AUGUST 2016

	Month of AUGUST	2016 Year to Date
Parishioner Contributions *	\$24,717	\$291,922
Total Monthly Income	\$26,939	\$316,879
Monthly Expense	\$34,156	\$333,684
Surplus (Deficit)	\$(7,217)	\$(16,805)

*Includes pledges, plate offerings, and identified plate offering, plus special holiday offerings.

This is a summary of the church finances as of the end of August. As you can see, there is a deficit for August (the latest month that figures are complete) and a cumulative deficit for the year. The level of contributions to date is at 95% of the budgeted prediction, and expense is at 97% of the budgeted prediction. This explains the current deficit.

Please remember our church operates almost entirely on parishioner's contributions. With everyone's help in the remaining quarter of the year, we can meet our budget and end the year in the black.

The complete financial report is available in the office.

IN LOVING MEMORY

In September, a memorial stone and plaque were laid in memory of Jake Correll in the garden at St. Andrew's. His father John has written, "Feeling blessed to belong to this church for ALL of the support and love they have shown me and my family!"

Also, if you are thinking about suicide, are worried about a friend or family member, or need emotional support, you can call the National Suicide Prevention Lifeline at 1-800-273-TALK (8255), 24 hours a day. You can also call 911 or go to the emergency room of your local hospital. You matter.

We Thought of You Today

We thought of you with love today.
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have is memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
We have you in our heart.

PRAYERS AS WE SEARCH FOR A NEW RECTOR

For the Parish

Almighty and everliving God, ruler of all things in heaven and earth, hear our prayers for this parish family. Strengthen the faithful, arouse the careless, and restore the penitent. Grant us all things necessary for our common life, and bring us all to be of one heart and mind within your holy church; through Jesus Christ our Lord. Amen.

For the Selection of a Rector

Loving God, walk with us as we journey through our search for a new rector for St. Andrew's. May we be led by your Holy Spirit every step of the way. Grant us wisdom to discern your will and courage that we may with diligence carry out your purpose for your people. Let only your will be done as we seek you with all our hearts. Through Jesus Christ our Lord. Amen.
