OCTOBER 2018

Ramblings at the One-Year Mark

October 16 will mark one year since I began as the rector of St. Andrew's. It seems natural to pause to take stock of where we've come in the past year together. I feel like it has been a whirlwind year, though it is difficult to name particular major accomplishments. There are a lot of things in the works. The campus ministry effort is taking off, though we are having trouble getting students involved. We continue to work and pray for this ministry of outreach to college students to be fruitful. Our new Newcomers' Committee is moving forward with some greeters at the 10:00 service but could use more people willing to enter into this ministry of hospitality and welcoming.

Outreach ministries are going great. We will be the first church to host the Out of the Cold (OOTC) cold-weather shelter this fall. The Community Café is working to institutionalize its operations with a new board of directors that was recently appointed by the vestry and is in the process of organizing itself for its ministry of oversight. The property committee, under the new leadership of Sarah Klinetob-Lowe, is assessing our aging buildings for any major repairs or maintenance issues, as well as contracting for an engineering study to look at air conditioning the church. The vestry has appointed a Safety Committee to create emergency plans and make recommendations to better avoid or be prepared for various emergencies.

These are a few of the ongoing projects that occupy my time and my mental capacity. I share them all as works in progress. So much of ministry, and indeed life, is like that. We work on projects, with some success and some failure, but the work never seems to be complete. Even when we can declare a project over and done, we find ourselves picking it apart and finding fault, things we could have done better or differently. Part of being a Christian is realizing that our life's work will always be incomplete. We will always depend on our savior to bring our meager efforts to any meaningful end. We also realize that we must not sit back and wait for God to do all the work. In fact, God has recruited us to be co-creators and partners in bringing his kingdom into this world. More than that, God has gifted each one of us with personal talents as well as real resources in order to carry out the ministry to which we are called in Christ's name. St. Andrew's, or any church, is just a collection of individuals who are called to be the Body of Christ in the world. We strive together to be faithful to that calling even as we realize that without God's help we can accomplish nothing.

Pardon my ramblings as I look back on a year at St. Andrew's. In addition to looking back over the past year I find myself looking forward with great excitement about where we are going together as a parish. One of the more exciting celebrations we are planning is a special celebration of our patronal feast. St. Andrew's Day is on November 30. That is a problematical date to have a special celebration due to Thanksgiving, Christ the King Sunday and the First Sunday of Advent all happening around that time each year. This year, however, it falls on a Friday the week after Thanksgiving. We plan to have a service on November 30 at 6:00 p.m. with a potluck meal following. It will be a good time to get together and have fun as we remember the apostle in whose honor our parish is named. Celebrating is a big part of the Christian life as well. We celebrate the gifts we have received at God's hand. We celebrate our community in Christ. We celebrate the call to ministry. Most of all we celebrate the gift of eternal life we have been given through the sacrifice of Jesus, our Lord.

I look forward to many more years of celebrations with you!

VESTRY UPDATE, Rick Hoover, Clerk of the Vestry September 2018

The September vestry meeting was held on Tuesday, September 11. Once again, income for the month was light, and again expenses exceeded income. For the first time this year, the net operating income for the year, that is the total left over when operating expenses are subtracted from income, went negative. While this situation is certainly less than desirable, it is not yet cause for serious alarm. Consider it a wake-up call. As stated many times in this regular update, vestry urges everyone to meet pledge commitments even if not able to attend regular services. St. Andrew's diligently and faithfully continues to provide its many ministries through rain, snow, sleet, hail, and hot or cold weather. Your regular financial support is necessary in order to sustain the many active ministries of the church. If you cannot participate in the services in person, your contributions may be sent to the church office care of Mary Andrew. To make the contribution process even easier through online giving, the REALM system is up and available for members of St. Andrew's. You should have received an email from Allison Shea in the church office with details for setting up your own account. Online contributions can be easily made on a one-time basis or set up as a regular deduction from one of your accounts. The regular meeting of your pledge commitment will greatly help the church's financial picture and allow it to continue doing God's work through regular worship, education, and outreach to the community.

After reviewing the discernment committee report and having a very positive interview with Kevin Barron, vestry unanimously moved to recommend him for postulancy for the priesthood. Having passed through this stage of his journey to the priesthood, Kevin still has a long road ahead of him. Please support Kevin in his journey with your prayers and encouragement.

The stewardship committee has been active in planning for the upcoming stewardship program to be launched this fall. Now is a good time to begin thinking about your role in supporting St. Andrew's in 2019. Watch for more information in the *Net* as well as in the regular weekly emails.

Efforts to revive the campus ministry are continuing with services in the activities room of the Pasquerilla Center scheduled for 7:00 p.m. on September 16, 23, and 30. All members of the St. Andrew's parish family are invited to support these services on campus.

Stewardship 2019

Time ✠ Talent ✠ Treasure

“What inspires me to give?”

I once attended a presentation by a person who worked in development for Penn State. There are two major categories of giving, he told us; gifts of OBLIGATION and gifts of INSPIRATION. The former are the vast majority of gifts, but the latter are the transformative gifts, both for the giver and the recipient. It was in the cultivation of inspired giving that an organization would flourish.

This fall, as we roll out the annual stewardship appeal for St. Andrew’s, we are asking those in our community the question: *“What inspires me to give?”* Maybe it is the beauty of the liturgy or the music. Perhaps it is the community of people and the personal connections you make. Possibly it is the vibrant social outreach of our congregation or a weekly meal at Community Cafe. We will share some stories of inspired giving over the next several weeks, both in the weekly announcements as well as the Sunday bulletins. This will accompany an appeal in the mail from the Stewardship committee as well as further instruction on the new Realm on-line giving platform. Be sure to attend the October 21 Adult Education forum ‘Time Talent and Treasure; Stewardship in our Episcopal Church’ for more information about on-line giving.

Most importantly, we are announcing that All Saints Sunday (November 4) will be Commitment Sunday, when all pledges for the upcoming year should be brought to church and placed in the offering plate. This is a custom in many churches and helps us all to remember that the bounty we enjoy is rightly understood as the bounty and blessings of God. Please reach out to Ted Christopher or Kathryn Yahner, vestry liaisons for stewardship, with any questions or to share with us what inspires YOU to give.

With affection!

ONLINE GIVING UPDATE

Online giving has launched and can now be used to make contributions to the church in several ways.

Gifts can be made with or without an account, through the [church webpage](#)

Our new secure online giving platform, Realm, will give every parishioner, including those who choose to give in person, access to their own giving history and other features through a personalized online account. You should have received an invitation to join Realm last month allowing you to create your Realm account, login and password.

Once you have created your account, click on "Giving" and you will be able to make a gift, set up a recurring gift, view your pledge history, and coming soon: make a pledge for 2019. Personal giving records will remain accessible only by the parishioner and the Financial Secretary. Credit card and banking details are securely encrypted.

Text offerings can be made by texting StAndrewSC, followed by the dollar amount, (StAndrewSC \$100) to 73256. Follow the prompts to complete the giving process. You will receive a receipt via text and email.

Online and text gifts can be made by credit card, or through an ACH automatic withdrawal from a bank account. We encourage those making a gift online to consider helping us cover the fees involved in processing these transactions by checking the box to pitch in a few cents or dollars to help cover processing costs (2.5% for credit cards and 1% for ACH).

CHILDREN AND YOUTH

Thanks to Leaders and Teachers!

I've gained a new view on our Christian formation program for children and youth at St. Andrew's as I've begun working as the interim director. I now see the coming together of volunteer teachers and leaders, and of course the children, on a Sunday morning as a *miraculous event!* Parents and teachers alike are taking time out of their busy days to say, "*this matters.*" And, believe me, I know that is difficult to do. It's difficult to remember, let alone to do - to remember that what's happening at church matters to children and young people, and to believe that we as adults have something to offer them from our own faith. But it does, and we do! And so, I rejoice - that is definitely the right word choice - to see parents bringing their children to the door of a classroom, to see another adult with a big smile reaching out to welcome them, and then later to hear the words of love, hope and truth being offered - as well as the children's own experience of God being shared. There is no other place in our world where this happens, where we come together to tell *these kinds of stories* and hear *these kinds of words*. So, thank you to parents and to teachers and leaders! We all bring a bit of ourselves to offer, and the result is truly amazing!

There is still room for a leader in the wonderful Journey Middle group (6th-7th graders), so please prayerfully consider joining!

Godly Play Teachers - Marisa Ferger, Darlene Nordoff, Meira Minard, Julie Wunz

3rd-5th Grade Class Teachers - Pam Couch, Ted Christopher, Pam Ferguson, Michele Hamilton,
Paul Humphreys

Journey Middle - Kelley Paulsen and Eric Zimmerer, with support from Susan Dawson and John Correll

Journey Pilgrims - Peter Chamberlain, Mary Beth Hoffman, Kevin Lowe, Kathryn Yahner

Journey Senior - Christina Ford, Sharon Rovanseck

YOUTH

Rummage Sale

A big thanks to all who donated, carried, organized, priced or otherwise handled all the items for the Rummage Sale on September 22! We made about \$700 for our youth pilgrimage fund. A special thanks to Caitlin Osborne for leading the efforts!

Pilgrimage

The Journey Pilgrim group took another step closer to their pilgrimage in June 2019 by choosing Arizona as their destination. The pilgrimage committee narrowed down locations to three - Colorado, Maine and Arizona - based on the offerings of Wonder Voyage (the guide company we have used for the past three trips), and then the youth voted between these three. The youth will spend this year preparing by working fundraisers, earning money on their own, learning about pilgrimage as a universal but also very Christian practice, hearing from past St. Andrew's pilgrims, and beginning to learn practices of prayer and reflection that they will encounter on the trip.

ADULT FORMATION

Compassionate Life

Thursday, October 4 and Thursday, October 18
9:30 a.m. – Room 325

The Way of Love

The Women of Compassionate Life invite all the women of the church and their friends to join us in prayer and study, conversation, compassion in action... and coffee! We meet in Room 325 at 9:30 a.m. the first and third Thursday each month. We have focused on many things over the years such as book studies, guest speakers, and compassionate projects. One of our most important ministries is to send to the parish cards of celebration, prayer, and condolence.

This year we will be accepting the invitation from Presiding Bishop Curry to follow Jesus using *The Way of Love* materials available on the Episcopal Church website: *Turn, Learn, Pray, Worship, Bless, Go, and Rest*. For October, our focus will be on *Turn*! Fr. Jeff will be our guest speaker on October 18. Come join us for what it means to *Turn* on October 4. We'll also consider and then select a year-long outreach project for prayer and compassionate action.

OUTREACH

Over the Edge Fundraiser

October 11, 2:00 p.m.

Fraser Center, Downtown
Thank you to everyone who contributed - Father Jeff will be donating approximately \$2500 to FaithCentre and Interfaith Human Services thanks to your generosity. Come out on the 11th at 2:00 p.m to cheer Fr. Jeff on as he goes over the edge!

If you would still like to contribute, there are other "Edgers" who have not yet met their goal and will not get to rappel from the roof of the Fraser Centre on the 11th. If you click [HERE](#) and search for FaithCentre or Interfaith Human Services, you will be able to see all the other "Edgers" and the amounts they have raised. Some are very close to their goals and you could help push them over the edge, too. But more importantly, all donations will benefit FaithCentre and IHS.

Outreach Fair

Sunday, October 14, 11:15 a.m.

Canterbury Hall

If you are interested in becoming involved with one of the many outreach programs at St. Andrew's, be sure to attend the Parish Outreach Fair following the 10:00 a.m. service on October 14 in Canterbury Hall. Each group will have a display highlighting their ministry and representatives available to answer questions and tell you how you can become involved. The organizers hope this event will not only be a way to recruit new helpers, but also a celebration of the many ways St. Andrew's reaches out to the community. And there will be treats!

CROP Hunger Walk

Sunday, October 21

University Baptist and Brethren Church

Registration begins 1:30 p.m.; Walk begins at 2:00 p.m.

What are you doing **on Sunday, October 21**? Would you like a way to visit with old friends, make new friends, enjoy the outdoors, get exercise AND help change the world? Come walk with us in the CROP Hunger Walk to raise funds to fight hunger in our community and around the world. **The easy 5K walk will begin and end at University Baptist and Brethren Church. Registration begins at 1:30; the walk begins at 2:00.** Our St. Andrew's Purple People Feeders Team will have lunch together in Room 325 before the walk.

Twenty-five percent of the funds raised in the State College CROP Hunger Walk goes directly to the State College Food Bank. The rest is used by Church World Service globally to provide food and water, seeds and tools, wells and water systems, technical training, micro-enterprise loans, disaster relief and more.

Over the next three weeks, the St. Andrew's Purple People Feeders will be collecting pledges from family and friends, and we will join together wearing purple on October 21 to walk as a team. Family members, friends, and pets are encouraged to put on some purple and join us!

Join our team of hunger fighters. Click [HERE](#) to register to walk or make a donation to support other walkers. Once you have joined the team, look for your purple footprint at church. The more walkers we recruit, the further our footprints will "walk" down the hallway! If you prefer to write a check, make it out to "CWS/CROP" and give it to one of the walkers, or put it in the offering plate.

Please contact [Julie Kwasnica](#) if you have questions or need more information.

They stumble upon a gateway to another dimension, a doorway that will release evil upon the city. The Ghostbusters must now save New York from complete destruction.

The War of the Worlds

Friday, October 26, 7:00 p.m.

Room 325

War of the Worlds is one of the greatest science fiction films of all time and Academy Award winner for special effects. Earth is under attack by invaders from another world who target a small California town with autonomous probes and laser disintegration rays in this adaptation of the novel by H. G. Wells. The story was made infamous by Orson Welles with his live radio broadcast in 1938 which terrified the nation.

The Addams Family

Tuesday, October 26, 7:00 p.m.

Canterbury Hall

This 1991 American film is based on the characters from the cartoon created by Charles Addams and the 1964 TV series. The film stars Anjelica Huston as Morticia, Raul Julia as Gomez, Christina Ricci as Wednesday, and Christopher Lloyd as Uncle Fester. The plot focuses on a bizarre, macabre, aristocratic family who reconnect with who they believe to be a long-lost relative, Gomez's brother, Fester Addams, who is actually the adopted son of a con artist intending to swindle the Addams clan out of their vast wealth and fortune. So, if you like your movies creepy AND kooky, get your witches shawl on, and a broomstick you can crawl on because it's time to pay a call on The Addams Family.

We have been invited to take part in a healing service at Grace Lutheran Church at 6:00 p.m. on Tuesday, October 16. Father Packard will be assisting in the liturgy. St. Luke the Evangelist's day is October 18. Known as St. Luke, the physician, Luke includes in his gospel more stories about healings done by Jesus than any of the other gospels. For instance, Luke is the only one who records that Jesus healed the ear of the high priest's slave after it was cut off in the Garden of Gethsemane when they came to arrest Jesus. We hope to make this special service an annual joint worship and healing service with our Lutheran friends.
