

*The monthly newsletter of St. Andrew's Episcopal Church*  
*Connecting us in community and in Christ*

"Follow me and I will make you  
fish for people." – Mark 1:17

SEPTEMBER 2018

## What's new?

Well... quite a lot!

You may have noticed the new look and the new name of our newsletter. St. Andrew's Net is about making connections—the network of our relationships within the parish, our interconnectedness with the greater community of Centre County and the Diocese of Central PA, our connection to Christ, and our calling to be fishers of people. Part of the new look at the top of this page is our new logo which was designed by a local graphic artist named Rose Ann Hoover. It highlights the red cross of St. George which is part of the Episcopal shield (originally from the English flag), and also includes the "X" shaped cross of St. Andrew.

In addition to a new look, this fall we are rolling out a few new things to make it easier to connect with the parish administration and other parishioners. Soon you will be invited to create a login for your Realm account. Realm is the church administration software we use to keep track of our members and our financial records. Once you have established your login password, you will have direct access to your personal information in our parish database. You will be able to update or add to your record as necessary. You will also be able to make a financial pledge, set up electronic giving (via credit card, debit card, or ACH), and review your giving history. This is a secure online database and each member will have access only to their own record. You will also be able to give electronically through our web page whether or not you have a Realm account.

In order to connect better with each other, the upcoming new picture directory will include an app that will run on your smart phone, tablet, or computer. In the app you will see the pictures of fellow parishioners, be able to click on the phone number to make a call, click on the address to get directions, and click on the email address to send a message. By the way, one other cool trick you will be able to do with your phone is make a donation via text message.

All this while we are beginning to connect better to Penn State students through our Campus Ministry Committee. The committee is in the process of re-establishing a student organization. Our first on-campus worship service drew 19 people. Only a few of them were students, but it was a start. We have collected some contact information through recent on-campus events that will allow us to promote upcoming worship services and events directly to those who have expressed interest. We have also been invited by several other campus ministries to attend a lecture by Lutheran pastor Nadia Bolz-Weber on September 10 at the HUB Freeman Auditorium. She is an inspiring preacher and teacher who founded a church in Denver called a House for All Sinners and Saints.

Finally, we are starting to connect with newcomers to St. Andrew's through the ministry of our Newcomers Committee. You'll see Greeters operating on Sunday mornings soon. Their job is to welcome visitors and newcomers, and to help get them connected into the life of our parish. Of course, this is not just the job of the Greeters. When Jesus called Andrew and his brother Peter they were casting their net into the Sea of Galilee because they were fisherman. Jesus said to them, "Follow me and I will make you fish for people." That's still a pretty good job description for the followers of Christ. We are all called to cast our nets into the world, to be instruments of God's love as he draws the world to himself. At St. Andrew's we are trying to be faithful to that calling.

## VESTRY UPDATE, Rick Hoover, Clerk of the Vestry

August 2018

The August vestry meeting was held on Tuesday, August 13. Income for July was light, and again expenses exceeded income. The overall financial picture for the year continues to be positive, and as summer comes to an end and people settle back into regular schedules and activities, vestry is looking forward to both an increase in service attendance and an increase in regular contributions. As stated many times in this regular update, vestry urges everyone to meet pledge commitments even if not able to attend regular services. St. Andrew's continues to provide its ministry through rain, snow, sleet, hail, and hot or cold weather. Your regular financial support is necessary in order to sustain the many active ministries of the church. If you cannot participate in the services in person, your contributions may be sent to the church office care of Mary Andrew, or, beginning in September, you may make your contribution online through the St. Andrew's website. Watch *St Andrew's Net* for more details!

The Property Committee report noted that fall clean-up days are scheduled for Saturday, October 20, and Saturday November 3. Everyone is welcome and encouraged to join in the fall clean-up activities in and around the church buildings and Trinity House. Watch the weekly email communications and *The Messenger* for more details.

The vestry thanks everyone who participated in the Arts Festival pie sale fundraising by baking, serving, and/or eating the delicious pies and ice cream treats. This effort raised over \$2,200 in support of the Community Café.

Efforts to revive the Episcopal ministry on campus are rapidly moving forward with the development of a mission statement and planning of services and activities. Four Sunday evening services are already scheduled for Eisenhower Chapel at 7:00 p.m. on August 26, September 16, 23, and 30. All members of the St. Andrew's parish family are invited to support these services on campus.

Rick Hoover, Clerk of the Vestry

## CHILDREN AND YOUTH

### BLESSING OF BACKPACKS & FALL KICKOFF!

Sunday, September 9

During and after the 10:00 a.m. service

Come worship with us **Sunday September 9<sup>th</sup>** for a special children's sermon and backpack blessing! Father Jeff Packard will say a prayer for your child or young person and bless their school backpacks to show that God goes with them out into their lives every day. After church, everyone, adults and children, are welcome to come downstairs to Canterbury Hall for a celebration of our new year of learning together. We need everybody's thumb and fingerprints to fill a large foam-board welcome sign for our front entrance! See how your unique prints join with others' to make something big, colorful and inviting for everyone who walks through our doors! Stay for games and snacks.

## CHILDREN

We are eager for our time together in Sunday School to begin again! **First day of classes is Sunday September 16; children's classes meet during the 10:00 a.m. service.** We're gathering supplies, organizing classrooms and making schedules – lining up a rich string of Sundays to be with God and with our church family as we hear God's words and stories and pray together. I know family life is busy these days, but you bless us all here at St. Andrew's – and hopefully feel blessed in return – when you bring your children to church. It's so wonderful for children to grow up known by lots of loving adults, and having time to hear that God is real, that God knows them deeply, that God helps, and that God has a place for them in God's kingdom. If there's anything we can do to better welcome your children and make them comfortable, please reach out to Kathy Hickner at [youth@standrewsc.org](mailto:youth@standrewsc.org). We are not complete without you!

### Godly Play (ages 4-2<sup>nd</sup> grade)

Teachers use simple wooden figures and felt backdrops to tell most of the major stories in our Christian tradition – from the Hebrew Bible to the New Testament, including the parables of Jesus. Children have time to wonder about what they've seen and heard and respond with their own creative work.

### 3<sup>rd</sup>-5<sup>th</sup> Grade

For our older children, we use great lesson plans from the National Episcopal Church that are based on the same Scripture readings parents are hearing in worship. Children can expect interesting activities and discussions to help them learn and grow in faith.

## YOUTH

Journey to Adulthood is a curriculum we've been using at St. Andrew's for a little more than 10 years. Through prayer, conversation, and engagement with Scripture, its lessons help young people gain understanding of themselves, society (especially power, poverty and social change), their relationships, and above all, their connection to God through Christ in our Christian tradition. Highlights of the program are the Rite13 Rite of Passage - a moving celebration of our young people's step away from childhood around their 13<sup>th</sup> birthdays - and the Pilgrimage trip, which we are preparing for this year. Several years ago we pulled back a little from a strict use of this program in order to be more responsive to our young people. Leaders are guided by Jesus' call to love God and love one another as they choose lessons from the Journey to Adulthood curriculum and other resources. But generally, we spend time establishing friendships, praying together, working on lessons and activities, and experiencing the mystery of the liturgy and community that points us to God. Grade levels for the different groups shift a bit as groups stay together for multiple years.

### Journey – Grades 6<sup>th</sup> & 7<sup>th</sup>

### Journey Pilgrims – Grades 8<sup>th</sup> – 10<sup>th</sup>

### Journey Seniors – Grades 11<sup>th</sup> & 12<sup>th</sup>

**FIRST DAY OF CLASS is Sunday 16<sup>th</sup>!** Youth classes will now meet **after the 10 a.m. service**, from about **11:15-12:15**. Youth can find their leaders after the **end of the service** and leave from the back doors of the sanctuary.

### Youth Activity September 30

Our first Sunday evening youth activity for all youth will be **Sunday September 30<sup>th</sup>, 6-8p.m.** We will be outside if the weather is good, and if not, we will scheme something up for indoors. Stay tuned!

## Pilgrimage

Plans are under way and excitement is building for our trip in late June of 2019! A group of current and former leaders and parents has been working on narrowing down destinations from our guide company Wonder Voyage, and the young people will vote on the final three choices Labor Day weekend. Although significant resources and time are involved in this endeavor, and it is a big step for our youth, the **value** of the trip is high! You only need to ask the dozens of leaders and young people who have been on one of the five trips St. Andrew's has planned in the last ten years. They are times of intense community living, spiritual exploration and reflection. Our use of a pilgrimage guide company has been a very positive experience for everyone over the years. A hearty **thank you** to all for your support during our fundraising, as well as your prayers for our young people and leaders as they begin to learn more about pilgrimage as a Christian practice and get ready to step out of their ordinary world to see what they will discover about God!

*Thank you to all who came out to support our fundraiser at the Greek in August. The turnout was overwhelming – it seemed like every table was full of St. Andrew's members and friends. Everyone had a great time, a delicious meal and helped us raise money for our pilgrimage. I'd call that a success!*

## Rummage Sale

Saturday, September 22

7:45 a.m. – 2:00 p.m.

Canterbury Hall

Start your fall with a clean slate by contributing items to our Rummage Sale ! We will be taking all items, but **no clothing please**. You may begin dropping off items **Monday September 17<sup>th</sup>**. Watch your weekly emails for more information on drop-off procedures! Pickups will be available for those who might have trouble bringing loads to church and can be arranged the week of the 17<sup>th</sup> by contacting Kathy Hickner at [youth@standrewsc.org](mailto:youth@standrewsc.org).

## MUSIC AT ST. ANDREW'S

### **Bach's Goldberg Variations** **Pianist, Nathan Carterette**

Friday, September 14, 7:00 p.m.

On Friday, September 14, pianist Nathan Carterette from Pittsburgh will present a concert of the GOLDBERG VARIATIONS by Johann Sebastian Bach, at St. Andrew's. Nathan Carterette has distinguished himself in the concert world by performing a huge range of works from Elizabethan

keyboard music to music written today. His innovative programming has inspired audiences to approach unfamiliar music with open ears, and familiar music with new appreciation. Mr Carterette has performed in such venues as Weill Recital Hall and the Yamaha Piano Salon of New York City, the Gasteig in Munich, the Museum für Kunst und Gewerbe of Hamburg, and Cleveland's Trinity Cathedral. He has been presented in several universities such as the Berklee School of Music, Cleveland Institute of Music, Radford University, Kent State University, Baldwin Wallace Conservatory, and Carnegie Mellon.

The concert is free to the public. A free will offering will be taken. Please join us for a rare opportunity to hear this stunning work. For a preview, click on the picture on the left.

### **LYRA: A Concert of Russian Orthodox Church Music**

Friday, September 28

7:00 p.m.

On Friday, September 28, LYRA, an a cappella group of six professional vocalists from St. Petersburg, Russia, will present a concert of Russian choral music at St. Andrew's. The first part of the concert - sacred music of Russian Orthodox church, includes ancient songs to works of famous masters and little-known but remarkable Russian composers of three centuries. The second part of their program is made up of Russian folk songs: comic, lyric, dancing, love songs. This is a wonderful opportunity to share the enormous Russian musical heritage and enjoy the sounds of Russia as interpreted by real Russians. All the singers are professionals singing in different professional choirs and opera houses of St. Petersburg.

The concert will last about an hour and is free to the public. A free will offering will be taken. This will be the third time we have hosted this group at our church and you are in for a special treat. For a preview of their music, click the picture to the right.

Housing is needed the night of the 28th for these singers. It would involve a meal on Friday evening and breakfast the morning of the 29th. If you are able to aid them or have questions about this, please contact Walter Wells (404-6620) or Gwen Catchen (404-17540).

Thank you!!!

Out of the Cold Centre County is a county-wide program in State College, where about 15 churches step up to host up to 20 homeless guests for a period of two weeks each. # COMMUNITY CAFÉ

## The Pork Project

Orders accepted now while supplies last

Partake in the bounty of the Lord!

A special porcine project has been undertaken these past months to generate emergency funds for the Community Cafe. Part of the Café's mission is to minimize potential food waste by using a "second harvest" of items donated by Wegman's and Trader Joe's in the preparation of their meals. These items would otherwise end up in the trash. We saw an opportunity to take this concept further, by maximizing the talents of some of our parishioners to achieve in effect a "third harvest"

Under the animal husbandry/care of our parishioners, the Cramers, a Berkshire Hog has been raised and fed in-part with the Community Cafe organic waste. The high-quality, local, and lovingly raised pork is now available for sale with 100% of your purchase going to advance the mission of Community Cafe. There are 10 one-pound packages each of four different flavors including: Sainly Savory Sage Sausage Patty, Miraculous Maple Sausage Patty, Heavenly Hot Links, and Sweet Seraph Italian Links available! There are also 10 very special Pious Pork Packages that have one pound of each flavor AND a bonus of one pound of Blessed Bacon! If pork is not your bag, you can also use the link to make a financial contribution specifically to the St. Andrews Community Cafe.

And you will definitely recognize parishioner, Andrea McCloskey, one of the founding members. But whether or not any of those statements are true, you will not want to miss Happy Valley Improv's performance at St. Andrew's on October 12 to benefit the Community Café.

Tickets will be sold for \$12.50 and include a variety of beverages and light snacks – pretzels, chips, etc. – before and after the performance. Check upcoming emails and the October *Net* for more details.

Academy Award-winning filmmaker Morgan Neville takes an intimate look at America's favorite neighbor, Mister Fred Rogers. A portrait of a man who we all think we know, this emotional and moving film takes us beyond the zip-up cardigans and the land of make-believe, and straight into the heart of a creative genius who inspired generations of children with compassion and limitless imagination.

## **Joint Healing Service at Grace Lutheran**

Tuesday, October 16, 6:00 p.m.  
Grace Lutheran Church – 205 S. Garner Street

We have been invited to take part in a healing service at Grace Lutheran Church at 6:00 p.m. on Tuesday, October 16. Father Packard will be assisting in the liturgy. St. Luke the Evangelist's day is October 18. Known as St. Luke, the physician, Luke includes in his gospel more stories about healings done by Jesus than any of the other gospels. For instance, Luke is the only one who records that Jesus healed the ear of the high priest's slave after it was cut off in the Garden of Gethsemane when they came to arrest Jesus. We hope to make this special service an annual joint worship and healing service with our Lutheran friends.

## **ANNOUNCEMENTS**

### **Altar Guild**

“As I handle holy things, grant that my whole life may be illuminated and blessed by You.”

The Altar Guild is always looking for more members! If you have a yen to serve God and his Church, but not a lot of time to devote to anything, Altar Guild could be a perfect way to add a ministry to your life. We have four teams, so each team works only once a month for an hour on a Saturday and the services on Sunday and Wednesday plus an occasional wedding or funeral. We dust, swat stray cobwebs, vacuum, straighten the things in the pews, clean and polish silver, vest the chalice, set up and clean up the altar, and launder linens. Anyone interested in being added to a team can call or email Teri Smith, 814-238-5964, [ssmith2124@aol.com](mailto:ssmith2124@aol.com).

## Confirmation Class

Our bishop, the Rt. Rev. Audrey Scanlan, will make her visitation to St. Andrew's on March 24 next spring. In preparation of which, we will have a class starting this fall to prepare folks for Confirmation, Reception, or Reaffirmation. The class will be for youth and adults and will be taught by the rector. Watch for more details about the class and how you can participate.

## Safeguarding God's Children

As we begin the academic year, there are a number of parishioners who will need to renew SGC training. It is state law that this training be renewed every 3 years, but this renewal can be done on line for those who have already had in class training. We will notify those affected with both email and written reminders 5 weeks ahead (and again 2 to 3 weeks ahead) of individual renewal deadlines. When you are notified of your deadline, that date cannot be changed.

We will be planning an in-class training for new trainees and for those who miss their renewal deadlines in October or November, 2018. Please stay tuned for those dates! With thanks from both of us for honoring this requirement and for all you do, Barb Downs and Rich Marini
