Junior Warden Report

Submitted by Thomas Hall
Dec. 13, 2022

1. We have Convention delegates selected:
 - Anthony & Coralee Grillo
 - Michele & Rich Marini
 - Connie Puckett
 - Allison Shea

2. We have 4 Vestry nominations for 4 vacancies:
 - Kathy Dittmann
 - Daniel Foster
 - Rich Marini
 - Sanford Schwartz

3. Our Ad Hoc committee is formed and will convene our first meeting before Christmas. Our purpose is to prepare a report detailing tactical (short-term) and strategic (long-term) actions that will reduce Parish expenses or increase Parish income, to be delivered to the Vestry no later than March 31, 2023. We believe this committee is a fair cross section of our community. We intend to operate openly and transparently and if you have any ideas or concerns, please contact any of the committee members, below:
 - Robin Bastress
 - Thomas Hall
 - Anthony Kwasnica
 - Sarah K. Lowe
 - Jason McCloskey
 - Amy Pritchett
 - Sanford Schwartz
 - Fran Stevenson

4. While sitting in church the other day, I noticed several young adults, some singles and some couples. And then, lo and behold, Amy and her cohort reunited a platoon of kids to some of these young adults. I thought, this is our future: What can and should we do to encourage and welcome these young adults to want, to seek, to serve ... to develop as church leaders as they simultaneously grow and navigate the demands of career, family, friends, and community? Who is our vestry five years from now? Ten? What is *our* succession plan?

Parishioners' Ministry Funding Plan

Funding Plan for Parishioners' Ministry in the Age of Austerity

Background: Parishioners' Ministry was being funded through the parish's operating budget until 2020 when we went to our current austerity budget. Since then, we have had periodic appeals to the congregation, which have always been met with generosity. Also, we have transferred money from the Kathy Palmer endowment to supplement PM income—the endowment is to be used for outreach at the rector's discretion. In addition, there are some parishioners who just donate specifically to PM periodically. The result of this is an unstable income for PM and therefore unpredictable ability for the stewards to respond to the needs brought to them. We have constantly been reacting to the balance in their account, i.e. making an appeal or transferring Palmer money when PM is low on funds.

Proposal: We would like to propose the following five-point plan to increase visibility of the PM fund and try to smooth out their income so the stewards will know how much they will have to work with month by month.

1. Run a regular feature in the St. Andrew's Net informing people about Parishioners' Ministry and what they do. This will raise awareness.
2. Transfer a regular amount every month from the Palmer money into PM. This amount will be determined when we get the annual distribution from Centre Foundation, usually in April.
3. We would like to make regular appeals to the congregation, perhaps four times per year, at regular and therefore predictable times. *
4. In the new year, the rector will approach those who have donated to PM in recent years, including those who have responded to our appeals and those who have donated spontaneously. He will invite them to consider making some regular donation, in addition to their regular pledge to the parish, to support the work of PM.
5. On the other side of the equation, the PM stewards have already imposed a monthly spending limit for themselves in addition to a stated norm for the amount they will reward per case. Obviously, every case is different, and some may warrant going beyond the norm, but they will consult internally about each case. Once their monthly spending limit is reached, they will simply inform any inquirers that they are out of money for the month.

Note: The Parishioners' Ministry Stewards operate independent of vestry oversight, other than regular financial reports to vestry. Therefore, this plan does not require vestry approval, but it is submitted for comment, suggestions for improvement, and the opportunity to express concerns. Points 3 and 4 about regular appeals and inviting parishioners to give regularly may be of particular interest to vestry. We have not consulted vestry in the past when running an appeal for PM, but vestry needs to consider the parish's overall fundraising strategy and the impact regular appeals might have.

2023 Rector's Housing Allowance

Resolution of the Vestry of St. Andrew's Episcopal Church, State College, PA
December 13, 2022

Whereas the Rev. Jeffrey A. Packard is employed as a minister of the Gospel by St. Andrew's, State College which does not provide a residence for him, the vestry resolves that of the total compensation to be paid to Father Packard during 2022, **\$25,000** be designated a parsonage allowance within the meaning of that term as used in Section 107 of the IRS Code of 1986. This amount for parsonage allowance will continue year on year unless modified and approved by the vestry.
