Father Jeff had two items to address before the discussion about Vandersall began:

- II. Special Youth Service on Mother's Day. Collection for the Community Cafe. Unanimous approval.

The remainder of the meeting centered around discussion of the four core values for St. Andrew's, as defined by the Vandersall Group. A consensus was reached regarding the wording and order of the values. Father Jeff took it upon himself to send the Vandersall representatives a letter describing the vestry's unified feedback. The letter is in the Vandersall folder in Google documents.
